

SACRED GOLD & STORM SILVER

Evolution Changes

This document is a reference guide to any changes made to evolution methods within Sacred Gold & Storm Silver.

Locations for the required evolution items can be found in the "Important Item Locations" document which should also be in the same folder as this one.

If a Pokémon is not listed, then no change has been made to its evolution method(s).

Sacred Gold Plus 1.3.2 - current instructions follow. The historical introduction above is superseded by the current guide.

Evolution Changes

Sacred Gold Plus 1.3.2 - current English reference.
