New Fossil Locations

One of each fossil is obtained for free from a man in Goldenrod's Archaeological Center (what used to be the Bike Shop), with the exception of Aerodactyl; the Old Amber must be found normally.

Fossils can now be revived in Goldenrod.

New Other Item Locations

Exp. Share: Given to you by a Scientist in Violet's Pokémon Center.

Lucky Egg: Given to you by Mr. Pokemon in exchange for the Red Scale, and also by a guy in the Ruins of Alph as a reward for catching 21 Unown.

Thick Club, Light Ball, Stick etc.: There's a woman in the Goldenrod Magnet Train station who will give you the relevant item when you show her the Pokémon who the item correlates to (e.g. she'll give you a Thick Club if you have a Cubone or Marowak behind you).
